### Interested in UU Membership?

Are you a frequent visitor, new to UUism but interested in knowing more about this denomination or formal membership in the UUF?

Or perhaps a previous UU who is new to this area? We have two programs for you.

—Monthly drop-in question and answer sessions during the last Sunday salad or soup potlucks. Look for the special table for an informal talk about UUism and this congregation.

—More structured information sessions about formally joining this Fellowship for either individuals or groups of newcomers.

Please contact Mary S., Chair of the Member Services Committee, at:

767-1603

or

She is happy to answer your questions.

### Welcomers

Thank you to our Sunday morning **Welcomers**. Smiling faces and warm greetings are meaningful—for visitors arriving at the door of our Fellowship for the first time, ... and for everyone.

**All members** are encouraged to greet unfamiliar faces and introduce themselves. Make **everyone feel a part of this community!**

**Reminder:** Because of the crowded lobby and parlor, we ask that conversations be moved to the gallery or other area away from the front door and parlor to make room for visitors.

# Soon To Be 90 Years Old!

by Sylvia D.

Lucille G. is looking forward to Sept. 4 this year. "if I make it," she said on the telephone recently. She is sticking close to home with husband Miles and son Michael in his lake house near Jamestown. She loves being able to get right out there to waters edge, the bird life and changing seasons.

However, recently Lucille has elected the wheelchair. Says she was out in the garage pursuing her hobb— yes it's still books for kids—and tripped over something and ended up breaking her leg between hip and knee.

But gloomy she is not. "I get the *NYTimes* everyday and read it all, and that takes a long time," she says proudly.

Lucille repeatedly spoke of her gratefulness to the fates for this wonderful life she has led and continues to enjoy. Teaching kids to read, helping them plant eco gardens; designing and creating a nature path with them; sewing up cozy mini quilts for friends and her five grandchildren; and the *NY-Times* to look forward to every day, with nature at her door. Well, 90 seems pretty good doesn't it!

Think of Lucille, when you see smiling toddler Lucy, her namesake; the tulips near the back porch corner and those decorating Syd's sign that announces our Fellowship. Our beloved elders!

Thanks, Lucille, Syd and the many others we recall with pleasure and sighs.

# In Search of Self

A preview of the March 20 Program

By Grover C.

*Most of us assume that we know ourselves. We have an identity and have found ways of expressing who we are and who we are not. We have a range of feelings we take as the music for these subjective images and we embrace some sense of security in this self knowledge.*

*But what is this "self" we know? Have we simply swallowed whole what we have been told? Does history determine us? Do we confuse ourselves about "self" with habit and illusion? Do we keep secret, even to ourselves, aspects that would tarnish our more likeable self image? How do we stay open to the processes of the self?*

*We will pick up this old philosophical/ psychological quest, mix it with some contemporary neuroscience and see what new insights we might gain.*

# Reuse and Recycle

By Bobbi T.

*The March goods exchange is anything to do with gardening,—of a reasonable size—such as gardening tools, planters, fertilizers, stakes, small outdoor furniture, and tools in general.*

*\*\*No live plants. (A perennial exchange will be planned for a Sunday in May)\*\**

*The April goods exchange will be spring and summer clothing and accessories—men's, women's and children's.*

### UUF Safety

Please remember to enter the Fellowship grounds by driving into the southernmost roadway.

People are walking across the drive and cars are dropping off passengers near the north entrance.

Keep in mind also to watch out for other cars when turning off of or back onto Rte 68.
